Teacher: Lisa Elliott

Lisa Elliott was born and raised in Toronto, Ontario. She had an unquenchable longing to know God from a young age and accepted Jesus as her Savior at camp when she was 15 years old.

Lisa graduated from Ontario Bible College (Tyndale) where she also met her Pastor husband David. They have served the Lord faithfully for over 25 years, presently in London, Ontario and together have raised 4 children (3 on earth, 1 now in heaven).

A dynamic and gifted speaker, Lisa's ministry has impacted and touched the lives of men and women across Canada at conferences, retreats and special events.

She has been described as being real, refreshing, vivacious and personable. Her love for the Lord is contagious and her passion to share from her own experience the life-changing truths of God's Word "Straight from the Heart" is inspiring.

Be sure that her transparency, authenticity and often humorous approach will inspire you to live "the abundant life" to the fullest!

Leading in Music: Merissa & John Gleason

John & Merissa were born and raised in Leamington Ontario, but many of John's childhood memories were made at MBC!

They met when they were both 17 years old at a church youth group they both attended and started dating shortly after, and were married in 2012.

John started an online based manufacturing business 3 years ago, and Merissa works in an office that manufactures concrete products for interior/exterior design, but they both share a passion for music and have been leading worship at their church since they were in youth.

John and Merissa serve at Meadow Brook Church, Leamington through music ministry. They have had the privilege of being a part of church growth and have really seen their church move forward into a deeper relationship with Jesus.
